An affordability assessment for a rental application is a check to see if a tenant can afford the monthly rent after covering other essential expenses. For you to be able to apply for this property your annual income will need to be at least the rent being charged per calendar month X 30 (i.e. £1150pcm rent X30 = £34,500 annual income required). If a guarantor is required their annual income will need to be at least the rent being charged per calendar month X 36(i.e.
