FleetMilne Property are pleased to present this unique three storey townhouse located in the heart of the Jewellery Quarter. At approximately 1000ft², this spacious townhouse offers an eclectic mix of traditional and modern features - including a light tunnel to the kitchen area, and period style fireplaces. The tall ceilings and large windows offer masses of natural light, and both double bedrooms provide generous space. Viewings are highly recommended in order to appreciate what this property has to offer.

Although there is no allocated parking with this property, there is ample street parking available nearby, and also the opportunity to purchase a permit through Birmingham City Council.

The Jewellery Quarter train station is within easy reach which runs direct to Birmingham Snow Hill, and in some cases, direct to London Marylebone.
