What Are ID & Anti Money Laundering Checks

We are required by law to conduct anti-money laundering checks on all those selling or buying a property. Whilst we retain responsibility for ensuring checks and any ongoing monitoring are carried out correctly, the initial checks are carried out on our behalf by Lifetime Legal who will contact you once you have agreed to instruct us in your sale or had an offer accepted on a property you wish to buy. The cost of these checks is £75 (incl. VAT), which covers the cost of obtaining relevant data and any manual checks and monitoring which might be required. This fee will need to be paid by you in advance of us publishing your property (in the case of a vendor) or issuing a memorandum of sale (in the case of a buyer), directly to Lifetime Legal, and is non-refundable. We will receive some of the fee taken by Lifetime Legal to compensate for its role in the provision of these checks.

Proof of Funds

An estate agent may ask for proof of funds at two different stages and for two different reasons. If an estate agent asks for proof of funds before you put an offer in, it may be because they want to make sure you have a genuine interest in the property to avoid any disappointment for the seller. However, you don't have to provide proof of funds before putting an offer in.

Source of Funds (SOF)

(SOF) is the process of verifying the origin of a customer's money for a specific transaction. The goal is to ensure that the funds are not from illegal activities.

Evidence of Property Sale:

If you intend to use proceeds from an ongoing property sale, you will be required to provide supporting documentation. Acceptable evidence includes a letter from your solicitor, confirmation from your broker, a detailed breakdown of the funds being allocated, and an Agreement in Principle (AIP) covering the remaining balance. Additionally, please provide either written confirmation of the agreed sale price from your estate agent or a copy of the completion statement.
