£599,950

A wonderful opportunity to purchase this one double bedroom ground floor flat within a purpose built building, offering a private south facing garden which is larger than the average for the location. Reaching to approximately 55 ft in length there is the potential to create further internal space by extending into the outside space, subject to the usual planning consent. The property is ideally positioned on a quiet street just a short walk from the many facilities at South End Green and the open space of Hampstead Heath.
