About the Property

Catharine Street is a desirable residential location in the heart of Romsey Town with all the independent shops, cafes and facilities Mill Road has become famous for on your doorstep. The city centre is just over 1 mile away, the railway station around 0.7 miles and the Addenbrookes hospital biomedical campus less than 2 miles. Parking is available on street without the need for a permit.

The property is a Victorian terraced house, which requires general modernisation throughout, offering scope to extend and improve with potential to create a wonderful city home. There is a gas fired radiator central heating system and the sale can complete with the advantage of no upward chain.

The entrance hall has stairs rising to the first floor and a door to the spacious open plan living/dining room which has dual aspect windows, alcove fitted shelving and an under stairs cupboard. The kitchen comprises a range of wall and base units in addition to a gas fired boiler and door to the garden. There is a three piece bathroom, at the back, off the kitchen.

The first floor landing allows access to the three well proportioned bedrooms, with the principal bedroom spanning the full width of the house at the front.

The rear garden has lawned and paved areas with mature planting to both sides.
