

22 Parnell Road, Bristol, BS16 1WA

£3,100 PCM

Perfectly positioned in this hugely popular student location, this substantial five-bedroom home offers space, comfort and unbeatable convenience for UWE students. With campus just a short walk away, you can forget early buses and long commutes.

The house provides five bedrooms, a generous lounge/diner, fitted kitchen, three bath/shower rooms (including one en-suite) and a separate utility room. Unusually for a student property in this area, it also benefits from a garage and off-street parking – a real bonus for a group with cars.

Well-located, well-proportioned and now attractively priced, this is exactly the kind of house groups hope to find near UWE but rarely do. If proximity, space and practicality are high on your list, this one should be at the very top.
