

Elstree Park, Borehamwood, WD6 2RW

£239,950

A stunning and newly refurbished two bedroom park home set upon a wonderful position with some beautiful views. The home has been made open plan with a stunning new kitchen, dining and living area with vaulted ceilings. In addition there are two bedrooms and brand new shower room, gas central heating and double glazing. Externally there is a driveway and large low maintenance gardens to surround. Homes on this sort of plot and in this condition are very rarely available so we would strongly recommend an early viewing.
