A Grade II Listed, three storey, five double bedroom detached house with a stone front facade in a central Warsop location towards the end of High Street on a no through road within walking distance to amenities.

The property is believed to date back to the 17th Century and was previously office premises before being sold to our clients in 2012. Since then, our clients have renovated and improved the house to a high standard throughout whilst retaining many of the character features associated with a property of its age.

The property provides spacious living accommodation arranged over three floors extending to just over 2000 sq ft with five good sized double bedrooms and two reception rooms. The ground floor accommodation comprises a large, 7.7m open plan kitchen/diner, an inner lobby area, lounge, separate snug/play room, rear lobby/boot room and a downstairs WC. The first floor landing leads to three double bedrooms and a modern family bathroom with a bath and separate shower. The second floor landing leads to bedroom four and five, both large double bedrooms. The property has gas central heating (underfloor heating to the kitchen/diner, lounge and bedroom one) and single glazed windows and doors with some rooms having secondary UPVC double glazing.

OUTSIDE

Externally, the property fronts onto High Street with shared access to the side of the house known as Bradleys Yard leading to a double garage with a remote controlled roller door. A gate adjacent to the garage provides access to the rear garden. To the rear of the property, there is an enclosed garden with a hardstanding patio which extends to a pathway leading to the double garage which has an adjoining external store. From the patio, three steps lead up to a central lawn with raised flowerbeds to each side.
