The living accommodation comprises an entrance hall, downstairs WC, family room, lounge, dining room and a modern kitchen with integrated appliances. The first floor landing leads to a master bedroom with fitted wardrobes and an en suite. There are three further bedrooms and a modern family bathroom. OUTSIDE

Washington Drive is a cul-de-sac of modern detached houses in a desirable suburban area within easy reach of local amenities. Externally, there is a triple width patterned concrete driveway frontage providing off road parking for three cars. A gate leads to a paved pathway to the side of the house with further gate at the end giving access to the rear garden. To the rear of the property, there is a beautifully appointed, low maintenance, landscaped garden featuring a substantial composite decked patio and a large adjoining shed with power and light. Three wide central sleeper steps lead up to a further decked patio with raised flowerbeds on each side with mature plants and shrubs. Beyond here, steps lead to a third decked patio which extends across the full width of the garden.
