An excellent opportunity to purchase a detached contemporary home within this now established development. Originally completed by Barratt Homes in 2016 to what we understand is an individual design within the development the property offers tastefully presented accommodation over two floors.

The property is finished with contemporary decoration and benefits from UPVC double glazing, gas central heating and modern fixtures and fittings and comprises an initial entrance hall with attractive Karndean flooring which flows through into the main sitting room with pleasant walk in bay window and useful under stairs storage. This room, in turn, links into a good sized open plan dining kitchen with large walk in bay window with French doors into the rear garden, the kitchen being fitted with a generous range of units and integrated appliances. A utility provides a further useful space which links into a ground floor cloak room.

To the first floor there are three bedrooms, the master of which benefits from both a walk through dressing room and ensuite facilities, and separate family bathroom.

As well as the internal accommodation the property occupies a pleasant plot, set back behind an open plan frontage with double width driveway and integral garage and, to the rear, a just off westerly facing established garden.

Overall this is an excellent opportunity for a wide range of prospective purchasers to purchase a detached home in this popular and well served Vale of Belvoir village.
