Conveniently located on Charles Street, this delightful semi-detached house, built in the 1920s, offers a perfect blend of period charm and modern convenience. With four generously sized bedrooms, this property is ideal for families seeking a comfortable and spacious home.

As you enter, there is a spacious entrance hall that leads to two inviting reception rooms, the comfortable lounge and a dining room. The heart of the home is undoubtedly the impressive 16-foot dining kitchen, fitted with a range of units and having space for a large dining table, additionally there is a useful utility room and a convenient WC.

The first floor landing leads to four family-sized bedrooms, each offering ample space and natural light, along with a well-appointed bathroom. The property benefits from modern gas central heating, ensuring warmth and comfort throughout the seasons, and features high-quality replacement uPVC sash windows that enhance both energy efficiency and aesthetic appeal.

Outside, the pleasant enclosed rear garden provides privacy for outdoor enjoyment, whether it be for gardening, play, or simply unwinding after a long day. Additionally, there is a driveway that accommodates one small vehicle, adding to the convenience of this lovely home.

Situated close to the town centre, this property offers easy access to local amenities, schools, and transport links, making it an excellent choice for families and professionals alike. This period family home is a rare find and is sure to attract considerable interest. An early viewing is recommended.

A well maintained, semi-detached family home built c.1920 constructed of brick elevations under a slate roof covering with a utility room extension built of brick elevations under a pantile roof added c.2000. The central heating system is gas fired and a new boiler was fitted c.2021. All of the windows are good quality replacement uPVC double glazed sash windows except the two original box sash windows in the kitchen. The living accommodation is arranged over two levels and can be described in more detail as follows:
