This immaculate three bedroom detached house with garage was constructed by Messrs Jelson Homes in 2020 to their popular 'Goodwood' design. The property occupies a generous size plot with a south/westerly facing walled garden, located in the thriving village of Long Buckby, and within a 2 minute walk to the train station. The existing owner has made many improvements to include the installation of white plantation shutters throughout, boarded loft with loft ladder and light and electric roller garage door and boarded loft.

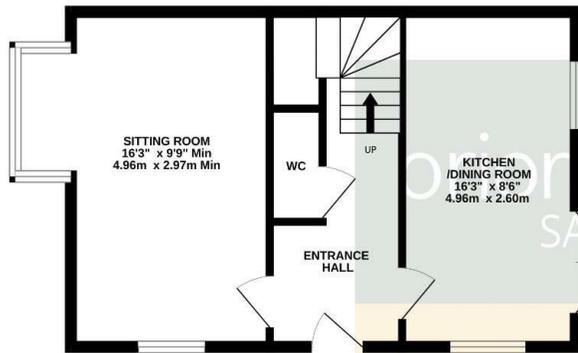

The accommodation comprises entrance hall, cloakroom/WC, sitting room, with double aspect and walk-in box bay window, a light and airy kitchen/dining room with integrated fridge, freezer, dishwasher, double oven and hob (free standing washing machine available under separate negotiation), first floor landing, master bedroom with dressing area (free standing wardrobes included), en-suite shower room with double shower cubicle, two further well proportioned bedrooms and a family bathroom with shower over the bath. Outside is lawned frontage with driveway to side leading to a garage with electric roller door and an enclosed south/westerly facing lawned garden with patio, courtesy side to the garage and gated side access. Further benefits include uPVC double glazing and gas radiator heating. (A/823/M)
