To Be Sold

Bumblebee Cottage is a beautiful ragstone home located in a highly desirable location surrounded by farmland between East and West Malling, both of which have mainline train stations. The property has been renovated to the highest standard and offers great flexibility.

You enter into a small lobby with stairs to the first floor and a door to the dining room. This room was previously the sitting room and offers flexibility. There is built-in carpentry to either side of the fireplace and there are lovely views over the farmland to the front. There is a good-sized modern kitchen with integrated appliances and wooden worktops, and a doorway that leads through to a super reception room. This has a partially vaulted ceiling with plenty of natural light coming in from the skylights and bi-folding doors to the rear garden. This room offers great flexibility to how it is used and also provides access to a downstairs toilet.

On the first floor there is a bright landing with doors to two bedrooms and the family bathroom - which has a roll top bath with shower, a toilet and a wash hand basin, as well as modern tiling. On the second floor there is a small landing with a cupboard and a door leading to the master bedroom, which has stunning views to the rear.

Outside, the gardens have been landscaped. The front provides a pretty cottage-style garden with attractive flower and shrub borders and to the rear is a large garden with mature borders, a path leading to the very rear and a lawned area. There are two large paved patios, one adjacent to the rear of the property and the other at the very end of the garden, offering great space for entertaining.
