Occupying a prime and discreet setting in the very heart of Shrewsbury, Westgate House is an exceptional platinum-calibre period townhouse extending to over 3,500 sq ft. Arranged over four impressive floors, the property showcases a refined blend of heritage architecture and contemporary comfort. Grand sash windows, soaring ceilings and striking original fireplaces sit effortlessly alongside stylish, modern enhancements, creating a home of real presence and versatility perfectly suited to both elegant entertaining and luxurious day-to-day living. This historic market town, nestled in a loop of the River Severn, boasts charming cobbled streets, boutique shops, cafés, restaurants, modern shopping centres, a market hall, cinemas and theatres. Transport links are superb: the A5 connects to the M54 and motorway network, while Shrewsbury station (0.1 mile) offers direct trains to regional hubs and London.

A generous and welcoming reception hall sets an immediate tone of space and sophistication, complete with cloakroom. Three beautifully proportioned reception rooms unfold from here: a magnificent 26 ft drawing room with feature cast iron fireplace and garden outlook; an atmospheric formal dining room with decorative wall panelling and open fire; and a substantial dual-aspect family room opening directly onto the terrace, with a well-appointed interconnecting study ideal for home working. The 25 ft kitchen/breakfast room forms the vibrant heart of the home, thoughtfully fitted with extensive cabinetry, integrated appliances and ample space for informal dining, with direct terrace access and a neighbouring utility room with Belfast sink.

The first floor is anchored by an indulgent principal suite featuring a fitted dressing room and a split-level en suite bathroom with twin basins, bath and separate shower, plus a private balcony overlooking the garden below. A further generous double bedroom with en suite completes this level. The second floor provides two interconnecting bedrooms served by an en suite shower room, ideal for family or guests, together with useful storage. On the lower ground floor, a fifth double bedroom, additional shower room and storage areas offer excellent flexibility, including potential for annexe-style accommodation if desired.

The property is approached via an elegant flight of steps from the street, while a secondary access leads through a cobbled private parking area providing space for three vehicles — a rare and valuable asset within the town centre. To the rear, a substantial wraparound flagstone terrace creates an impressive setting for outdoor entertaining, enclosed by wrought iron railings and accessible from the principal living spaces. Steps descend to a beautifully enclosed walled garden.

A truly distinguished town centre residence - where timeless character and contemporary luxury combine at the highest level.
