## 9, Sir Charles Irving Close, Cheltenham GL50 2DS

A beautifully presented property in a highly regarded location, with far reaching views and an excellent finish.

### Full Description

Located a short distance from the highly desirable area of The Park, Cheltenham, is Sir Charles Irving Close.

With no through traffic, this peaceful cul-de-sac and its red brick houses makes for a lovely enclave of properties in a superb setting.

The home has been thoughtfully modernised with stylish finishes, such as the bright open hallway, exquisite panelling and is beautifully kept. Based over three floors, the ground floor currently houses a formal dining area, kitchen, utility, WC, and a super suntrap of a conservatory! The dining room has ample space should this wish to be used as a further living area.

On the first floor, we find the spacious living room and the first of the three bedrooms. Due to the multi-functional design of this property and the option for a downstairs reception, this living room could function as a further bedroom with ease. The 3-4 bedrooms within the property are all sizeable doubles. The floor is completed by a smart family bathroom.

The top floor of the property has two further bedrooms, one principal with ensuite, and another roomy bedroom. The views from this floor are lovely, with a green expanse to the rear of the property. All of the bedrooms come with inbuilt storage for maximum convenience!

Externally, we find a private rear garden which backs onto a field, with a patio'd area for al fresco dining, and the chance to put your stamp on this green open space.

A garage and offroad parking complete the property.
