

The Old School House

Marcross, Llantwit Major, CF61 1ZD

Price Guide £1,000,000

HARRIS & BIRT

The Old School House was converted to an extremely high standard by the current owners. They have lived at the property for circa 25 years and resided in the village for 30 years, always a wonderful recommendation of a location. The property itself sits stand-alone on the outskirts of the village, and is a statement property - a wonderful modern conception of a former schoolhouse which was home to many schoolchildren locally across the years. Built in keeping with the style of the building, with a range of handmade oak finishes throughout, the accommodation briefly comprises entrance hall, kitchen/breakfast room, dining room, living room, WC and two en suite bedrooms to the ground floor. Upstairs the attractive galleried mezzanine looks out over the living room and has entrance to the fourth bedroom/study and master suite with en suite and patio doors leading off to a large decked area offering stunning sea views. The property benefits from a detached double garage and outhouse. Plenty of off-road parking and wrap-around gardens that are kept in immaculate condition. The quality of craftsmanship is truly impressive.

Marcross is a small Hamlet and is almost untouched by time due to it being situated on the Vale of Glamorgans heritage coast line. The Village has a grade 1 listed church and a wonderful Pub previously called the The Horseshoe Inn, it is going to reopen shortly after a full refurbishment and renamed The Doghouse. There are wonderful coastal walks nearby starting at Nash Point Lighthouse. A short distance away is Atlantic College which offers activities for children of all ages in the School Holidays and various Evening Entertainment for Adults and Families. There is access through the castle grounds to its historic church.
