Sufficiently out of town to offer a quieter environment in which to live yet close enough to the High Street shops to be convenient. This attractive semi detached home very much has this benefit and a lot more to boot. The interior is smartly presented throughout and the garden has been lovingly landscaped to complete this well rounded offering. To cap it all, the brand new roof was completed in March 2026 providing peace of mind for the future. The ground floor sees the classic two reception room layout where the lounge has a box bay window for added light and a feature fireplace focal point. The separate dining room sits off the kitchen and this seamlessly connects to the sunny west facing garden. A recent addition is the NEW downstairs cloakroom W.C. Upstairs and there are three bedrooms and an interconnecting shower room. The upper floor reveals surprisingly impressive views towards the countryside surrounding Ryde. The frontage has been designed for off road parking for a vehicle and much of St Michaels' Avenue is unrestricted for on-street parking. Further conveniences include having Ryde's newest school just down the road and a handy corner shop and the end of the avenue. A walk down nearby Pellhurst Road will get you to another junior and a senior school, here you will also find local bus stops. Ryde has arguably one of the best selections of shops and facilities found anywhere on the Island and these will be just a few minutes drive from here. Our lovely coastal town of Ryde is also home to miles of sandy beaches and regular passenger connections to the mainland. Call us and we will tell you more.
