The desire for single floor living is aptly catered for in this well presented semi detached bungalow. It has been extended to the rear to create a separate place to dine as the ideal accompaniment to the comfortable lounge which has a stylish log burner as its focal point. The smart kitchen is a recent replacement and the double glazed windows are literally brand new creating a welcomed overhaul to the external aesthetics. There are two double bedrooms to choose from and a modern shower room suite. The driveway offers spaces for two vehicles en route to the garage. Shrub filled borders line the garden and for the most part the gardens have been designed to keep maintenance to a minimum. The property sits just a 5 minute walk from the local convenience store and a similar distance from the nearby bus routes. Ryde town centre is the nearest principal town where one will find a broader selection of essential amenities including retail shops, banks, coffee shops, post offices and a supermarket amongst others. There is a recreation park close to hand via where one can access walking routes through to the surrounding countryside, what more could you possibly want!
