LOCATION

Folkestone

Fast becoming a sought after place to be, Folkestone has seen much regeneration over the past few years, with much more planned going forward, especially surrounding the town centre and Harbour. Folkestone has a large array of shops, boutiques and restaurants as well as many hotels and tourist attractions. Folkestone is fortunate to have two High Speed Rail links to London, both offering a London commute in under an hour. There are great transport links to surrounding towns and cities and easy access to the continent too. With so much going on and with the future bright, Folkestone is an excellent location to both live and invest in.

West End

Famed for it's sought after and salubrious location, the West End of Folkestone is arguably the most desirable place to live. It provides an array of homes ranging from large executive styles to period apartments on the sea front and is most enjoyed for its close proximity to the sea and town and also the great train links it offers to London, allowing a commute in under an hour!
