LOCATION

Capel-le-Ferne

Capel-le-Ferne is a beautiful village just outside Folkestone town. Raised up on the hill, it can offer homes with stunning elevated views as well a range of homes including new builds, bungalows and everything in-between. There is a more rural feel to the village which is its lure, but still provides excellent links in to Town and the surrounding cities, so you can live the quiet life but with all the amenities you could need just a short trip away.

Folkestone

Fast becoming a sought-after place to be, Folkestone has seen much regeneration over the past few years, with much more planned going forward, especially surrounding the town centre and Harbour. Folkestone has a large array of shops, boutiques and restaurants as well as many hotels and tourist attractions. Folkestone is fortunate to have two High Speed Rail links to London, both offering a London commute in under an hour. There are great transport links to surrounding towns and cities and easy access to the continent too. With so much going on and with the future bright, Folkestone is an excellent location to both live and invest in.
