

Wooda Farm

Wooda Road, Northam, Bideford, Devon EX39 1NB

Price Guide: £800,000

Just stunning...

A beautiful detached Georgian farmhouse with self-contained guest suite – all wonderfully presented and loved by its current owners with classic features of its period, perfectly located on the edge of Appledore within easy walking distance to the village and access to the coast path. The flexible family accommodation is extremely spacious with lots of natural light flowing through large sash windows throughout.

The main house, being sold for only the second time since its conversion from a working farm in 1980 includes three reception rooms, four large bedrooms, bathroom and kitchen/breakfast room, utility, WC & shower plus a large walk-in attic (via staircase) with windows. The guest suite includes a welcoming first floor lounge and bedroom space, bathroom and a well-equipped ground floor kitchen - all with its own access.

Of particular note...

The grounds to Wooda Farm extend to approximately 0.25 acres and are beautiful. The property is accessed via its own gated graveled driveway which provides plenty of off-road parking. The gardens surround the property on all four sides with two large areas of lawn, the main garden with a gorgeous vantage point for some lovely views of the surrounding countryside. There are plenty of flower beds, mature trees and places to sit, relax and dine – it's perfect for families.

There is an additional ground floor section of an outbuilding which is used as a fantastic store and workshop with plenty of power and lighting - offering continuous usage 'as-is' or with potential for further accommodation/work-from-home space if required.
