'Criss Cross Cottage, is presented in first class order throughout and has been much improved by the current owners. Internally, an entrance hall with reclaimed oak flooring leads through to a cosy bay fronted sitting room with an open fire and ornate stone surround. There is a separate dual aspect dining room with a further open fireplace and a stylish refitted kitchen with quartz worktops and upstands. The kitchen is well equipped with a breakfast bar, Bosch double oven, halogen hob, integrated dishwasher and fridge. French doors open on to the garden, whilst another goes into a 20ft long utility/side passageway with a cloakroom set off it. On the first floor, there are three double bedrooms, 2 with storage cupboards/wardrobe facilities. The main bedroom is currently set up as an extra living room with oak flooring, twin Velux skylights and a log burning stove. A smart refitted bathroom completes the internal layout.

Outside, the two parking spaces are situated behind a secure electric gated private area, directly in front of the cottage. The owners have transformed the rear garden with a variety of private seating areas and steps up to tiered lawns with dry stone walling, and a covered decked terrace at the top with lovely views over the village. There is also a gate on to a footpath. A charming brick built outbuilding has been converted to a triple aspect home office, but could be used as a studio or a games room. It has light, power and a wash basin. There is potential to extend this building further to the rear if one so wished (subject to the relevant approvals).
