Internally, the light and spacious layout (circa 850sqft) has an entrance lobby opening through to a good sized hall with a built-in storage cupboard. From here, a door leads into a bay fronted 19ft 'L' shaped sitting/dining room with a log burning stove and views over the garden to the rear. There is an opening from the dining area in to a very stylish contemporary kitchen with granite effect worktops, a range of wall and base units and an electric oven with 4 ring gas hob. There is a very useful separate utility room with a door to the garden, as well as a modern shower room and a lovely refitted bathroom. The two double bedrooms are light and airy, with both benefitting from fitted storage cupboards/wardrobes.

Outside, alongside a 19ft long single garage with light and power, there is driveway parking for 2 cars. The front garden has been designed for easy maintenance as has the rear garden which has patio sun terrace. From number 9's official garden, a small bridge crosses over to the delightful extra rentable area of garden which has further areas to sit and relax in as well as a variety of established trees and shrubs.
