Situation

A discreet development in keeping with the local area, Kempster's Reach is situated conveniently close to the two hubs of the community; the village hall and Rose and Crown pub. The latter is a Grade II listed building, a wonderful base featuring live music and a beer festival, and from which activities and trips are planned. Immersing yourself outdoors is at the core of village life, thanks largely to all the open spaces. The development itself has a generous open space with a meandering pathway through, while there are natural walks, wildlife and cycle pathways all around.

Worton is well served by roads and public travel. Both the A350 and A360 link the village to the M4 motorway, while a strong bus service connection offers excellent links to Trowbridge, Westbury and Devizes. For rail users, nearby Westbury offers direct links to London (via Paddington), the west (Bath and Bristol) and the south coast (Portsmouth and Plymouth). Those requiring international travel are approximately one hour and 10 minutes from Bristol airport. All of this can be enjoyed with the added advantage of Five Lanes Primary School in the village, rated 'Good' by Ofsted with secondary education opportunities in nearby Devizes.
