Internally, this delightful home has an entrance lobby with useful coats storage cupboard, that opens through to a hall. Set off the hallway is a modern shower room and a door into an 18ft open plan combined dining room and study area. French doors from the dining area go into a large conservatory that overlooks the garden. A light sitting room features an inviting log burning stove with attractive tiled surround- ideal for the cold winter nights. The extended and stylishly refitted kitchen/breakfast room is a notable feature of this home, with a good range of fitted units with marble effect worktops. There is a dual fuel 'Rangemaster' oven with 5 ring gas hob and a large American style fridge/freezer. One door leads out to the garden whilst another goes through to the separate utility room with space and plumbing for further appliances. On the first floor, there are three bedrooms in total (2 doubles and 1 single), complemented by the refitted main family bathroom. Accessed off the landing is a loft space with a pull down ladder and light and potential for conversion (subject to the correct approvals). The two largest bedrooms both feature Victorian style cast iron fireplaces and fitted wardrobes. There is also a second loft over the extension which has good potential for conversion.

Outside, there is a block paved driveway with parking for 2-3 cars. The rear garden enjoys an excellent amount of privacy. It has a lawn with 2 sheds (one with power and light), well stocked planted borders and steps up to a top tiered garden. There is also a slate patio and BBQ area.
