This would be an ideal property for anyone looking to downsize as well as a great buy to let opportunity.

The frontage of this home has been turned into a gravelled area (with the potential off-road parking for 2/3 cars subject to getting the curb dropped). Walking into this lovely home you are greeted by the entrance hallway and a door into the generous living room, featuring an attractive wood burning stove and large window looking over the garden. The 14ft dual aspect modern kitchen/dining room includes a refitted modern suite with a range of floor & wall mounted units, offering plenty of cupboard and worktop space. Completing the downstairs accommodation is a convenient utility room and lean to space which could be utilised in a number of different ways.

Upstairs, the property offers three bedrooms. The principal bedroom is a well-proportioned double featuring ample built-in storage and pleasant views over the garden. Bedroom two is also a comfortable double, while bedroom three would make an ideal single bedroom, home office, or dressing room. Completing the first floor is a stylishly refitted family bathroom, fitted with both a bath and a separate corner shower.

To the rear, the property benefits from a low-maintenance lawned garden with raised beds to the side and a garden shed positioned at the rear.
