Home 1 (The SHOW HOME) is a beautifully designed ZERO CARBON, 5 bedroom detached home with wonderful countryside views and IS READY TO MOVE INTO!

At the heart of the home is an impressive open-plan kitchen, dining, and family area. Featuring a Peter Clinch kitchen with a striking central island, premium NEFF integrated appliances, and a sun lounge with floor-to-ceiling panoramic garden views. A separate formal lounge offers a quieter retreat, while a utility room (freestanding washing machine and tumble drier included) and convenient downstairs WC complete the ground floor layout.

Upstairs, the spacious principal bedroom has a Juliette balcony and is complete with a wall of built-in wardrobes and a luxurious en-suite featuring a rainfall shower and separate bath. Bedroom 2 benefits from its own stylish en-suite shower room and built-in storage, while three further generously sized bedrooms (bedroom 3 has built in wardrobes) share a high-spec family bathroom, showcasing Villeroy & Boch sanitaryware and Hansgrohe tapware throughout.

To the front, a private driveway with parking for upto 4 cars, offers convenient off-street parking, complemented by a garage equipped with power and lighting – perfect for storage, a workshop, or secure parking. As part of its eco-conscious design, the home also includes a dedicated EV charging point, supporting a greener, more sustainable lifestyle. The rear garden is fully landscaped and turfed and has a side access.

The property is heated by an air source heat pump and benefits from solar PV panels. It features underfloor heating on the ground floor and radiators on the first floor.

All flooring included throughout.

Situation

A discreet development in keeping with the local area, Kempster's Reach is situated conveniently close to the two hubs of the community; the village hall and Rose and Crown pub. The latter is a Grade II listed building, a wonderful base featuring live music and a beer festival, and from which activities and trips are planned. Immersing yourself outdoors is at the core of village life, thanks largely to all the open spaces. The development itself has a generous open space with a meandering pathway through, while there are natural walks, wildlife and cycle pathways all around.

Worton is well served by roads and public travel. Both the A350 and A360 link the village to the M4 motorway, while a strong bus service connection offers excellent links to Trowbridge, Westbury and Devizes. For rail users, nearby Westbury offers direct links to London (via Paddington), the west (Bath and Bristol) and the south coast (Portsmouth and Plymouth). Those requiring international travel are approximately one hour and 10 minutes from Bristol airport. All of this can be enjoyed with the added advantage of Five Lanes Primary School in the village, rated 'Good' by Ofsted with secondary education opportunities in nearby Devizes.

Example of Specification
