Occupying a generous plot of approximately 0.18 acres and tucked away within a quiet and desirable cul-de-sac, this three bedroom detached home was built in 1976 and offers spacious, flexible accommodation ideal for families or buyers seeking a property with excellent outdoor space and scope for cosmetic improvement.

The ground floor is arranged around a welcoming entrance hall with stairs rising to the first floor and access to a useful cloakroom/WC. The main reception/dining room is a particularly generous space, providing an excellent area for both everyday living and entertaining. This room benefits from a direct door opening onto the rear garden, allowing natural light to flood in and creating a seamless connection between indoor and outdoor living.

The fitted kitchen sits to the rear of the property and is complemented by a separate utility room, offering further storage and workspace. The utility room also enjoys its own external door leading directly out to the garden, ideal for family life, gardening access or use as a practical boot room. An integral single garage is accessed internally from the utility room and provides further versatility for storage or potential conversion (subject to the necessary consents).

To the first floor are three well-proportioned bedrooms, including two comfortable doubles and a third single bedroom, along with a family shower room.

Externally, the property stands within a generous westerly facing mature garden which enjoys afternoon and evening sunshine. The garden is mainly laid to lawn and features a patio area perfect for outdoor dining and entertaining, together with established shrubs, trees and attractive flower beds that provide both colour and privacy.

To the front of the property is a private driveway providing off-road parking for two vehicles, in addition to the attached single garage.
