EPC Rating C

Situated in a highly desirable location, this beautifully presented and extended four-bedroom, two-storey family home offers spacious, modern living complete with a private rear garden, garage, and driveway parking.

Upon entering the home, you are welcomed into the entrance hall that leads into a well-appointed reception room situated at the front of the house. This flows seamlessly into the rear dining room, where double doors open out onto the patio, creating a wonderful connection between indoor and outdoor living spaces.

Positioned just off the dining room is the spacious and stylish kitchen, thoughtfully designed with an excellent range of matching floor and wall units, alongside a full suite of integrated appliances including an electric fan oven, electric hob with extractor hood, microwave, dishwasher, and fridge/freezer. A convenient downstairs cloakroom and internal access to the single garage complete the ground-floor accommodation.

To the first floor, the property boasts four well-proportioned bedrooms. The impressive principal bedroom forms part of the home's extension and features a generous sleeping area alongside a contemporary en-suite shower room. The remaining bedrooms are served by a tastefully finished family bathroom fitted with a modern white suite.

Externally
To the rear, the private garden is predominantly laid to lawn, complemented by a patio area directly outside the dining room—ideal for outside dining and summer entertaining—with a useful storage shed positioned in the corner. To the front, the property benefits from off-street driveway parking and access to the single garage.

Situation
White Horse Close forms part of a popular and established development on the southern side of Trowbridge, the County town of Wiltshire. The town provides a wide range of amenities including various supermarkets and retail outlets, swimming pool and sports centres, library, doctors and dental surgeries, cinema complex with various bars and restaurants and a mainline railway station providing direct access to the cities of Bath, Bristol and London Waterloo. There are also numerous primary schools and three secondary schools and a campus for Wiltshire College.
