Beautifully designed and traditionally built to the highest specification by Coln Residential in 2016, the current owners have implemented many tasteful enhancements to include a range of bespoke built-in bedroom furniture in two of the bedrooms. Bespoke, hand crafted kitchen and bathrooms by Sky Interiors, complemented by Neff integrated appliances and Villeroy & Boch Sanitary Ware, indicate attention to detail and quality of build.

Specification includes an Air Source heating system feeding central heating and hot water systems and high thermal insulation double glazed windows. The interior is arranged over two floors comprising a hallway with cloakroom, a charming sitting room with feature fireplace and a beautifully appointed kitchen/dining room complemented by an induction hob, double oven, dishwasher, washing machine and fridge/freezer. There are three bedrooms, the master benefitting from an en suite shower room and a family bathroom on the first floor. The landscaped rear garden enjoys a delightful south facing aspect and has been designed for low maintenance. A flagstone patio extends to the rear bordered by an attractive raised bed and a drystone boundary wall which provides privacy. There is side access via a wrought iron gate onto the driveway, providing off street parking for two cars.
