Situated in a quiet cul de sac this 4 bedroom detached family home has been extended by the current owners and is an immaculately presented family home. The cul de sac itself is small and very quiet, this property being mid way along. There is an extension to the side which has created a large and convenient entrance hallway and to the rear a fabulous, contemporary shower room. There is also a door to the side taking you to the dining room with stairs to the first floor, sliding doors to the living with window to the front and family room which was originally the integral garage now benefiting additional ground floor space and under stairs storage. Off the dining room are French doors leading to the garden and an arch to the kitchen. Fitted with a range of wall and base units and wood effect work tops, the kitchen has space for a washing machine, fridge freezer and dish washer and a built in electric cooker and 5 ring gas hob. A cupboard neatly hides the boiler. Off the first floor landing is a window and over stairs cupboard as well as doors to all the upstairs rooms. The main bedroom is located to the front and benefits built in wardrobes with hanging and shelving space. All the bedrooms are a good size with pleasant views from the rear bedrooms over open country. A white bathroom suite completes the upstairs. The property is double glazed throughout and warmed by a mains gas fired central heating system. Externally there are front and rear gardens. The rear has a well kept and pretty garden, private and enclosed with a number of bushes and shrubs to the edges whilst being laid to a mixture of artificial grass, decking and stone chippings. The front is sizeable and laid to hard standing and stone chippings which will take a number of cars off the road. There is a side path to the rear and further path to the front door. This is a lovely home in a popular village and a viewing is highly recommended.
