Thoughtfully and meticulously restored, the home forms part of the historic St John's College, seamlessly blending period character and architectural charm with contemporary luxury living.

Situated within the exclusive St John's Square development, The Castle comprises just four newly converted apartments within a prestigious Grade II listed building, all set behind private,

secure gates, finished to an outstanding standard throughout and nestled in beautifully landscaped gardens.

Accessed via a well-presented communal hallway, the apartment opens to two generous double bedrooms, both with original windows that fill the rooms with natural light and a further study/guest bedroom, offering a wealth of living space.

Further into the home, the open-plan spacious living and dining area flow seamlessly into a separate, fully fitted kitchen with Caesarstone worktops and integrated appliances. Off the hallway, the property also features a useful storage cupboard and a stylish, fully fitted bathroom.
