SOLICITORS
Choosing the right conveyancing solicitor is extremely important to ensure that you obtain an effective yet cost-efficient solution. The lure of supposedly cheaper on-line "conveyancing warehouse" style services can be very difficult to ignore but this is a route fraught with problems that we strongly urge you to avoid. A local, established and experienced conveyancer will safeguard your interests and get the job done in a timely manner. Bernards can recommend several local firms of solicitors who have the necessary local knowledge and will provide a personable service. Please ask a member of our sales team for further details.

OFFER CHECK PROCEDURE
If you are considering making an offer for this or any other property we are marketing, please make early contact with your local office to enable us to verify your buying position. Our Sellers expect us to report on a Buyer's proceedability whenever we submit an offer. Thank you.
