Tucked away in Flexford Gardens, this mid-terrace home offers a great opportunity for buyers looking to settle into the ever-popular West Leigh area. Built in the early 1960s, the property has a practical layout and plenty of scope to make it your own.

The ground floor provides a comfortable reception room with enough space for both relaxing and dining, whether that's quiet evenings in or having friends round. Upstairs, there are three bedrooms – ideal for a young family, guests, or anyone needing a dedicated workspace from home. The bathroom is well positioned to serve all three rooms.

One of the real advantages here is that the property is being sold chain-free, helping to keep the buying process as straightforward as possible.

West Leigh remains a firm favourite locally thanks to its strong community feel, respected schools and convenient access to shops and transport links. With Havant town centre and the train station within easy reach, it's a location that balances day-to-day convenience with a quieter residential setting.

For anyone looking to take their first step onto the property ladder — or simply secure a home in a sought-after area — this is a solid choice with plenty of potential. Early viewing is recommended.

SOLICITOR QUOTES

Choosing the right conveyancing solicitor is extremely important to ensure that you obtain an effective yet cost-efficient solution. The lure of supposedly cheaper on-line "conveyancing warehouse" style services can be very difficult to ignore but this is a route fraught with problems that we strongly urge you to avoid. A local, established and experienced conveyancer will safeguard your interests and get the job done in a timely manner. Bernards can recommend several local firms of solicitors who have the necessary local knowledge and will provide a personable service. Please ask a member of our sales team for further details.
