Set within a wonderful private plot extending to over two acres, this beautifully finished two bedroom barn conversion offers a rare opportunity to acquire a unique home surrounded by open space and countryside lifestyle potential. The property has been owned by the same family for over 35 years, with the current owners gaining planning permission approximately four to five years ago to convert the barn into the stunning home it is today.

The timber clad barn provides a superb open plan living space with impressive vaulted ceilings and an abundance of natural light throughout. The main living area incorporates a generous sitting space, dining area and a beautifully appointed kitchen positioned to the rear. The kitchen features a substantial central island, wooden worktops, fitted appliances and ample storage, creating a practical yet sociable space.

Two large sets of doors open directly onto a substantial patio, creating a genuine indoor-outdoor living environment and the perfect place to relax or entertain while enjoying views across the surrounding

land. Running along the opposite side of the barn are two large double bedrooms, a well-appointed bathroom and a separate utility room.

The grounds are equally impressive, approached via a gated driveway leading to a double car barn providing covered parking. There are also several additional outbuildings offering excellent storage and workshop space.

The land itself offers huge lifestyle potential. The current owners keep chickens and have created an allotment area, while a small parcel of woodland sits to the rear of the plot. With over two acres available, a new owner could easily adapt the land for equestrian use, landscaped gardens or a smallholding.

Further enhancing the opportunity, the current owners have also secured planning permission to convert another barn within the grounds into a one bedroom dwelling in a similar style to the main barn.

PROPERTY INFORMATION

AML - ANTI MONEY LAUNDERING PROCEDURE

We have a legal obligation to complete anti-money laundering checks. The AML check should be completed in branch. Please call the office to book an AML check if you would like to make an offer on this property. Please note the AML check includes taking a copy of the two forms of identification for each purchaser. A proof of address and proof of name document is required. Please note we cannot put forward an offer without the AML check being completed.

FINANCIAL SERVICES

Mortgage & Protection - We have a team of advisors covering all our offices, offering a comprehensive range of mortgages from across the market and various protection products from a panel of lending insurers. Our fee is competitively priced, and we can help advise and arrange mortgages and protection for anyone, regardless of who they are buying and selling through.

If you're looking for advice on borrowing power, what interest rates you are eligible for, submitting an agreement in principle, placing the full mortgage application, and ways to protect your health, home and income, look no further!

RECOMMENDED SOLICITORS

Choosing the right conveyancing solicitor is extremely important to ensure that you obtain an effective yet cost-efficient solution. The lure of supposedly cheaper on-line "conveyancing warehouse" style services can be very difficult to ignore but this is a route fraught with problems

that we strongly urge you to avoid. A local, established and experienced conveyancer will safeguard your interests and get the job done in a timely manner. We can recommend several local firms of solicitors who have the necessary local knowledge and will provide a personable service. Please ask a member of our sales team for further details.

BUYER VERIFICATION

Offer Check Procedure - If you are considering making an offer for this or any other property we are marketing, please make early contact with your local office to enable us to verify your buying position. Our Sellers expect us to report on a Buyer's proceedability whenever we submit an offer.
