The Property Misdescription Act 1991:

These particulars have been prepared to the best of our knowledge and belief in accordance with the Act and they shall not constitute an offer or the basis of any contract. Our inspection of the property was purely to prepare these particulars and no form of survey, structural or otherwise was carried out. Defects and/or other matters may be revealed on a survey carried out on your instructions. Room measurements, taken in accordance with the RICS recommended practice, to the nearest three inches. Site measurements where given, are approximate and intended only as a guide as obstacles may well have prevented accuracy. An appointment to view should be made and all negotiations conducted through Miles & Son.
