Purbeck Terrace Road, Swanage, Dorset BH19 2DE

SITUATION:

To the south of Swanage on an unmade road in a sought-after location convenient for access to open country and cliff-top walks which lead to Durlston Country Park and the Jurassic Coast World Heritage Site. Swanage town centre, the beach and seafront are approximately half a mile.

DESCRIPTION:

A very well-presented detached chalet house built originally, we believe in the 1950's, extensively refurbished and extended during the current ownership. The property sits on a plot of approximately 0.13 acre with a good-sized and sunny west facing rear garden. A purpose-built two storey annexe has been added and provides the current owners with holiday letting, alternatively it could easily be incorporated into the main home or provide separate accommodation for a family member.

N.B.:

The annexe currently provides the owners with an income from Air BnB and bookings have been taken for the coming season, therefore vacant possession cannot be before SEPTEMBER 2025.
