A double Garage and driveway offering ample off road parking. The house has several 'Green features' with the payments for the solar panels being an enviable return from the FIT tariff.

Council Tax Band F

Solar payments

Last year the property generated an income of approximately £2000 for money generated for the feed in tariff for solar energy generated. Clearly in this current climate with Utility bills rising dramatically this will make a great saving/income to an owner.

Energy generated tariff @ 71.85 p/kWh

Energy exported @ 5.07 p/kWh
