Summary:

Bryan Bishop and Partners are delighted to bring to the market this exceptional seven bedroom, five bathroom family home in the much sought after village of Tewin. Set along a quiet residential cul de sac within a small gated development of premium luxury residences, yet with an easy walk to a number of fine country pubs, as well as the village green, tennis club and cricket club, this wonderful property offers spacious and versatile accommodation arranged over three floors, presented in absolutely immaculate condition inside and out, and offers a detached double garage and beautifully designed gardens, all enclosed by its own secure gated boundary.

Accommodation:

The aptly named Rose House is a very attractive property, exhibiting a skilfully curated style and elegance that shows a fabulous eye for design and proportion, and that appeal is immediately apparent as you approach. Strong brick pillars topped with lovely stone finials flank the remotely operated front gates that open to reveal a delightfully ornate part glazed porch set beneath a tiled roof. Creative planting softens the red brick frontage, with fabulous climbing roses framing the large sash windows of the living room and family room.

Inside is a neat entrance lobby, nicely lit by the full height, multi pane windows either side of the front door, which opens via double doors into the main entrance hall. The entrance hall is a nicely balanced space ensuring a warm and comfortable welcome is extended to all your guests, and has an easy flow into the rooms around it with the pretty bull nosed staircase, boasting decoratively carved spindles and newel posts, turning as it climbs up to the first floor. Double doors open into the front facing living room and family room, with the hallway extending through the house leading to the well placed study/office, the utility room, kitchen and an ideally located guest cloakroom. The family room is a light and bright room thanks to the generous window overlooking the front. The double doors from the entrance hall are arranged across one corner of the room, which is cleverly matched by an elegant fireplace occupying the opposite corner, with subtle downlights set into the underside of the mantel.

Adjoining the family room is a useful study/office which is comfortably large enough to provide a comprehensive work from home facility with multiple work stations and the necessary ancillary storage for files and business records. Of course this house is blessed with a substantial number of rooms on the two floors above, any one of which would also make a superb home office, leaving the ground floor room free for any number of alternative uses should that suit your needs. Certainly it would make a terrific playroom, kids TV room or games room, enjoying as it does a nice central location within the house.

The living room is quite spectacular, and again is an elegant and perfectly proportioned space which is certainly large but also well balanced. Flooded with natural daylight from two full height windows to the side aspect and the large window to the front, it also has abundant light flowing in unhindered from the glorious dining room to the rear, to which it is joined by an open archway. Double doors link the room to the entrance hall, giving a valuable option to open the main living areas out into a free flowing semi open plan arrangement, absolutely ideal when entertaining guests, or to close them off for a more intimate and private atmosphere. The outside wall opposite the double doors presents a wonderful modern fireplace, matching stylistically the one in the family room, offering a fabulous focal point between the two windows, with ample floor space available to configure and furnish as you wish.

The dining room is connected open plan to the living room and on into the kitchen and enjoys a stunning situation, with a substantial roof light set into a deep recess in the centre of the ceiling joining with a large set of glazed sliding doors out into the garden to bring all of the benefits of a conservatory without any of the drawbacks. It is a capacious area that is more than able to accept a large dining suite and other occasional furniture besides, as well as benefiting from a set of fitted cupboards matching those in the kitchen along one wall. A simply delightful place to host lunches and dinner parties any time of the year.

The adjoining kitchen is a design masterpiece, making creative use of the substantial space available to provide a fitted kitchen with a superb ergonomic layout as well as seamlessly connecting the double glass doors at one end through to the dining area whilst simultaneously providing a breakfast bar and a cleverly imagined worktop shape that both links the different spaces and yet subtly delineates them from each other. There is a comprehensive array of brilliant white handle-free cabinets that establish a slick minimalist visual effect and ensure more than ample storage, whilst housed within them is a full complement of premium branded appliances that are sure to meet all your family's needs. Both the dining room and kitchen have gorgeous matching stainless steel radiators, sinuously twisting as they rise the full height of the wall. The kitchen is ably supported by an adjacent utility/laundry room that also has a separate external door out into the rear garden, really enabling you to keep the kitchen clutter free.

Opening directly from the dining room, is the fabulous family room. Big enough for an array of comfortable furniture and flooded in natural light from the large windows running around all three outside walls, this is a practical all year round room, which connects seamlessly out into the garden via two sets of glazed double doors. The flow around the kitchen, dining room and family room is excellent, really generating a hub and heart of the home within these main living spaces. An amazing asset to be enjoyed privately as a family as well as providing a phenomenal space for entertaining.

From the hallway, the stairs turn elegantly up onto an upper galleried hallway of generous size and with an appealing square shape. From here there is access to each of the five bedrooms along with the family bathroom. Four of the bedrooms are comfortably doubles. Two of them benefit from lovely ensuite shower rooms.

Exterior:

The property is found in a quiet residential area, surrounded by other quality family homes. To the front is a large garden with mature hedging and lawn, as well as a driveway leading to the integral garage and parking for multiple cars. To the rear is a secure, pet friendly garden, with a nice full width patio and a large area of low maintenance artificial grass. The garden is attractively landscaped and designed, incorporating a generous patio running across the back of the house, as well as other areas of patio and decking placed nicely around the perimeter. There is a tiled roof pergola, currently used as a fun outside bar area and a glorious premium quality summer house, which could take on virtually any role you could think of. Gym, studio, reading room, music room, teenage hangout space or an office to make every other work from home person jealous - the list is endless! There is a useful separate access to the garden from the driveway to avoid having to walk through the house.

Location:

This property enjoys the enviable and exclusive location of Wilshire Park, bringing with it the unspoiled pleasure of rural living yet with all of the many amenities of Welwyn just a minute or two away. Welwyn Village has a thriving and bustling centre with a wide range of shops, pubs and restaurants as well as doctors and dentists. More extensive facilities are to be found in Welwyn Garden City, just 3 miles to the south. Welwyn North Station offers a fast and frequent service into London, getting you to Kings Cross in around 20 minutes. Junction 6 of the A1(M) is within one mile.

Ground Floor

Approx. 116.7 sq. metres (1255.6 sq. feet)

First Floor

Approx. 98.6 sq. metres (1061.2 sq. feet)

Outbuilding

Approx. 10.3 sq. metres (110.7 sq. feet)

Total area: approx. 225.5 sq. metres (2427.6 sq. feet)

Energy Efficiency Rating
