**Energy Efficiency Rating**

|                                             | Current   | Potential               |
|---------------------------------------------|-----------|-------------------------|
| Very energy efficient - lower running costs |           |                         |
| (92 plus) <b>A</b>                          |           | <b>89</b>               |
| (81-91) <b>B</b>                            |           |                         |
| (69-80) <b>C</b>                            | <b>75</b> |                         |
| (55-68) <b>D</b>                            |           |                         |
| (39-54) <b>E</b>                            |           |                         |
| (21-38) <b>F</b>                            |           |                         |
| (1-20) <b>G</b>                             |           |                         |
| Not energy efficient - higher running costs |           |                         |
| England & Wales                             |           | EU Directive 2002/91/EC |
