Water End Lane

Ayot St. Peter, AL6 9BB

Hafod sits near the bottom of a quiet lane in the Ayots. A beautiful family home built just before World War Two, Hafod enjoys the benefits and tranquility of a country home, whilst being a short drive from all the amenities one would need.

Approached by a gravel driveway, with parking for multiple cars, this property boasts a beautiful frontage, with mature wisteria running along the front of the house. Upon entering, you arrive in an entrance hall that branches out into a living room with amazing aspect and views over the garden and fields behind. On the other side of the hall lies the kitchen and utility room. There is a dining room accessible from the hallway which also leads into a garden room.

The first floor comprises a spacious landing, one double bedroom, family bathroom and master bedroom with incredible views from the turret window. The master bedroom also benefits from a dressing room. The second floor is made up of a further double bedroom as well as another bathroom.

Situated in the rural Ayots bordering countryside between Welwyn Garden City and Welwyn Village. Within just over a mile is Welwyn Village High Street with a range of amenities including doctors, dentists, public houses, restaurants and Tesco Express. Within close proximity are both Welwyn North and Welwyn Garden City mainline stations with fast and frequent services into London Kings Cross and Moorgate.
