The Grove Shephall Green

Stevenage, SG2 9BS

Bryan Bishop and Partners are delighted to bring to the market this stunning example of a four-bedroom detached family home, in this sought after "Chase Green" private gated development in Stevenage.

Upon entering the property, you arrive in a spacious, airy entrance hall that leads into all rooms on the ground floor and the staircase to the first floor. The ground floor comprises a conveniently positioned W/C, a spacious dual aspect living room, as well as an even larger open plan kitchen diner with integrated appliances. There is an integral garage with driveway, on the other side of the property to the main living areas on the ground floor.

The first floor is accessed via the staircase in the entrance hall, leading to a spacious landing. Four bedrooms are positioned in each corner of the house. A well-appointed family bathroom lies between the only single room and a well sized double bedroom. The master bedroom is one of two double bedrooms on the other side of the first floor, complete with Sharps built in wardrobes and beautifully modern ensuite.

The garden featuring grass, paved and decked areas, wraps around the back and south-side of the property. The outside space provides both sun-traps and peaceful shady spots and is easily accessed from the living room, kitchen/diner or hallway. The outside is ideal for alfresco dining and seamless indoor/outdoor living in the warmer months of the year.

Shephall Green is a quiet area, hidden away in South Stevenage with lots of history dating back to the Domesday book. Shephall Greens local amenities include:
