Through the garage, is another conservatory-style room which is currently used as a utility and home office.

Sliding glass doors from the inner hallway, lead through to the main house. The newly fitted kitchen is smart and modern, with built in electric oven, gas hob, dishwasher and fridge/freezer.

Off the kitchen, the L-shaped living room is a great size with a new inbuilt multi-fuel stove. Ample natural light makes it feel very positive and welcoming.

All three bedrooms have pleasant views out into the garden. The 2 main double bedrooms are both fitted with generous sized built-in wardrobes. The third bedroom has a large, glazed skylight overhead, which brings in fantastic natural light.

Serving all of them, the bathroom is well presented, with a thermostatic shower over the bath. In the hall there are also 2 large built in storage cupboards.

The entire attic is completely boarded, fully lit, has cupboard doors fitted to the eaves and a wooden ladder with large access hatch. The combi-boiler is conveniently located in this space too. There could be potential to convert the attic into further living space (subject to planning and regs).
