On offer for rent here is a new-build, two bedroom semi-detached house on Diamond Street, Splott. Nicely located for the City Centre as well as the shops, cafes and amenities on Clifton Street, the property would make a great option for a professional couple or perhaps family looking to be in such a central location. Available unfurnished, the property offers entrance hall with adjoining WC, large lounge area with exposed staircase and modern, stylish kitchen/diner to the rear of the ground floor. An extremely spacious garden is located to the rear of the property, very generous for this style property and the area. Upstairs are two large double bedrooms and a family bathroom with bathtub and shower over. A lovely property that won't be around for too long!
