CYNCOED ROAD

CYNCOED, CF23 6BP - £799,500

5 Bedroom(s)

2238.00 sq ft

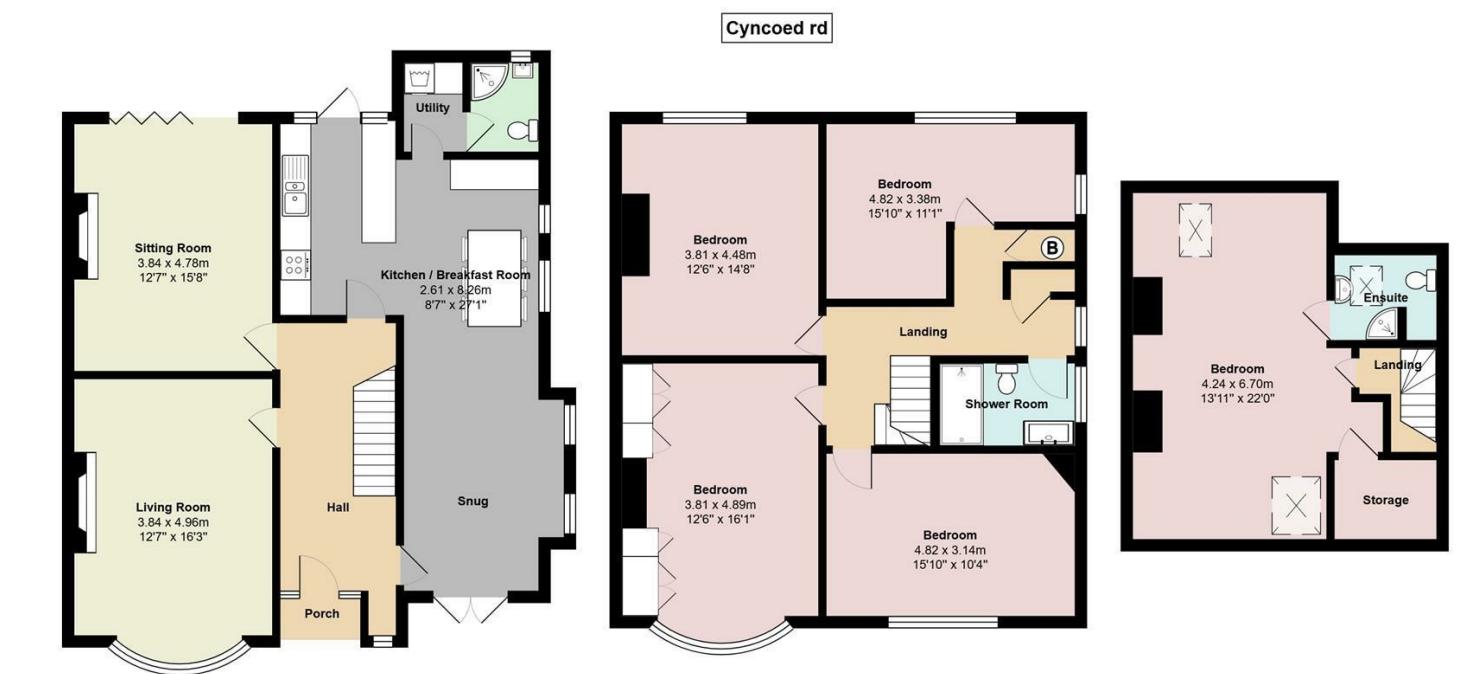

We are excited to offer this beautiful, newly renovated, double fronted, semi-detached house, with 5 Double bedrooms, situated on a large corner plot on Cyncoed Road, one of Cardiff's most sought after locations. This spacious house of over 2000 square feet of interior space is well designed, but practical with a really comfortable feel to it. There is a lovely entrance hall, revealed as you enter through the front door, along with two large living rooms (the back one with bi-fold doors to the rear garden), family kitchen/dining/sitting area and shower room on the ground floor. The first floor has 4 double bedrooms, and family shower room with stairs leading from the landing to the en-suite loft bedroom, providing options for teenagers, guests, relatives etc. Natural light fills this house, filtering through numerous windows and doors. The sun rises to the rear of the property, shining into the kitchen & rear living room, moving around to the side garden and finally to the front of the house in late afternoon. The current owners have completed the renovation works to high standards, seeking to reinstate a period feel where appropriate, but in combination with contemporary features & amenities in the right areas. The new white aluminium double glazing is in keeping with the window styles of the surrounding properties, whilst ensuring the house is warm and quiet inside, and reducing heating bills in the winter. The gardens wrap around from the front lawn, with the front of the house elevated and set back from the road, to the long side garden with a brick boundary wall, allowing for privacy and for children to play. The rear garden provides parking for up to 4 cars on the newly laid gravel driveway, along with lawned area opposite the newly installed bi-fold doors to the rear living room. A curved soil bed area runs along two walls with minimal planting to allow new owners to develop the garden to their own requirements.
