The tree-lined street gives a lovely leafy aspect and in my opinion, it's the best spot on the whole road due to how the trees are situated outside the property. I love the way the sun dapples through the tall trees in the early evening, and even on a rainy day, there's plenty of natural light. There's a great sized airing/storage cupboard and a hallway which most 1-bed flats don't have, making the space feel cosy and more like a house than a flat.
