An exceptionally presented, ground-floor two bedroom apartment complete with its own PRIVATE GARDEN on the extremely popular 'Deemuir Square' estate in Tremorfa. The apartment is superbly presented and offers two double bedrooms, the master benefiting from extremely large, walk-in wardrobe no less! The second bedroom, currently used as a study is better used as such or as a single bedroom but would still cater for a double bed. Modern-fitted kitchen with gas hob and space for dining and double, French doors leading into the garden which is extremely neat and tidy and more than a fair size. The apartment further benefits from gas central heating and hob, double glazing, allocated parking and is within excellent commutable distances in and out of Cardiff. Unfurnished.
