Nestled on Graig Road in the desirable area of Lisvane, Cardiff, this impressive detached house presents a remarkable opportunity for those seeking a spacious family home or a promising development project. Spanning an expansive 2,055 square feet, the property boasts two generous reception rooms, five well-proportioned bedrooms, and three bathrooms, making it ideal for larger families or those who enjoy entertaining.

Constructed between 1980 and 1989, this residence offers a solid foundation and the potential for significant enhancement. With planning permission already approved to extend the first floor, the property can be transformed into a magnificent living space exceeding 3,500 square feet. This development opportunity is perfect for buyers looking to create their dream home tailored to their specific needs.

It is important to note that the property has been gutted by the current owner, providing a blank canvas for the new owner to reimagine the interior layout and design. Whether you are an investor seeking a project or a family looking to settle in a sought-after location, this property offers the flexibility to realise your vision.

Situated in the charming suburb of Lisvane, residents will enjoy a peaceful environment while being conveniently close to local amenities, schools, and transport links. This is a rare chance to acquire a property with both space and potential in a highly regarded area. Do not miss out on the opportunity to make this house your own.
