JeffreyRoss are proud to bring to the market this impressive 18th Century, Stone built farmhouse set in approx 2.8 acres of land and gardens that further benefits a large 900 SQFT detached barn, and approximately 2.5 acres of paddock. The property is located within a 10 minute drive to the City Centre but benefits the school catchments criteria of the Vale of Glamorgan. The farmhouse has been stylishly refurbished and extended retaining the charm and character of the original building. The accommodation briefly comprises, entrance porch, principal living room, second reception and open plan modern fitted kitchen diner and study. The ground floor further benefits, large family bathroom, guest bedroom and utility room. Access to the first floor are via the original inglenook steps from both fireplaces and lead to three double bedrooms with the master benefiting an ensuite. Outside benefits family garden, Garage, Two fields adjacent to the property and additional equine facilities include detached timber built stable block with two boxes and 7,200 sqft menage (40m x 20m) ideal for keeping horses. The property offers so much potential in the right hands given the outbuildings and size of the main house.

Outside

Access of the country lane via a pair of large timber gates with pedestrian gate alongside. Stone wall to country lane. Large courtyard area laid to stone sets with parking space for numerous cars and leading to stone built garage. Open fronted and with electric light and power. Adjacent stone store room that are used for storing logs for the burners. Large lawned rear garden containing the barn and stables.

Barn and Stables

Stone built two storey detached barn. The ground floor is accessed via a 8'6" wide 7'6" high archway and is split internally into two

block built boxes and entrance area. Windows to front and side. External water point. The first floor is approached via a flight of external steps. Boarded floor. High pitched and beamed ceiling and electric light and power. The detached stable block is alongside the barn and is L shaped and split into three separate compartments.
