We bought the house as so close to really good amenities but with our first baby on the way we're moving to be closer to our families. Its been excellent with the recreation fields behind us and Cosmeston being a short drive away - particularly for our puppy. We've loved being able to stroll into the town with its shops, cafes and bars. Its been a quiet house and have loved nothing more than winter evenings in front of the log fire or with family and friends enjoying the sun in the garden throughout the summer months. We've made some wonderful memories here and will be sad to leave and will especially miss our wonderful neighbours.
